Membership requires some form of active participation.

If you cannot or do not provide any support or participate in any way for a period of two years we will assume you have decided not to be a part of the Network.

We will send you an inquiry and at that time you are free to tell us you have gone in a different direction, or in case of our not hearing from you we will drop your name from membership.

Membership also assumes you are in good standing with your overseeing agency. We do not hold your spiritual discipline; that is for your presbytery or denomination to provide. However, if some scandal should arise (God forbid) we will make an inquiry with you and if things are not being handled well, biblically, or truthfully we will suspend your organization from membership until our leadership is assured those problems will not affect the reputation of the overall Network.
